

Evangelist Returns for Revival Here

After six years, Evangelist Walter D. Wentworth has returned to Torrance and is in the midst of revival services in the Torrance Foursquare Church located at 1207 El Prado. Services are held nightly except Monday and Saturday at 7:30.

Rev. Wentworth is known to many as the walking miracle. He was himself miraculously healed of tuberculosis of the bone.

Converted at the early age of nine, he preached the gospel

as a child with marked success. He has continued through the years with ever-increasing success, having preached the gospel across the United States.

Besides being a very dynamic and interesting speaker, he prays for the sick with remarkable results, according to Rev. Arthur Pedersen, pastor.

Regardless of creed, you are invited to come. Rev. Pedersen said, "If ever our nation needed a revival of faith in God, it is in these desperate days that we are now living in, he added.

Tartar Teen Talk

By BETSY SHAW

Why is the Torrance High School football team in such a state of anxiety? Announcement of the All Bay League football players will be the big feature of the Bay League Prom this coming Saturday evening. It is hoped that several members of our football squad will receive Bay League honors. The prom, to be held in Beverly Hills, will be the scene of great excitement since the winner of the Sportsmanship Trophy will be disclosed. Torrance, who has lost only one point this last football season, is vying with Beverly Hills and Santa Monica for first place.

At a recent Bay League Forum it was decided that the Prom was to be an annual affair with profits and losses shared equally among the six Bay League schools. The Bay League prom was last held two years ago when Torrance acted as host. The prom, being held this year at Beverly Hills, should prove to be one of the highlights of the 1951 school year.

A ball shoots high into the air, circles the rim of a basket, and falls through. This is the signal for the opening of the 1951-52 basketball season. Last Tuesday the Tartar basketballers headed for Long Beach where they gave St. Anthony some tough competition. November 30 basketball players will arrive from Lynwood to challenge the Tartars at their first home game of the season.

With such players as Chick Cope, Jack O'Connell, Larry Roy and Guy Farrington, a newcomer, Torrance High School will be headed for high honors when they open against the Bay League schools during the first part of January.

This last week the Student Council voted to loan \$202.38 to the A Capella Choir to finish payments on their choir robes. The robes, purchased last year, were half paid for by the PTA, the balance to be paid by the choir.

What's up December 14? Many people have been wondering about this evening and at last the secret is out. The Girls' League and Boys' League are co-sponsoring a dance, "The Daisy Mae Hop" by name, to be held at the YWCA building. This dance is in reverse of the usual procedure and is the first of its kind to be held at Torrance. The girl must call for the boy, pay any expenses which arise and show him a good time.

With Thanksgiving behind them, Torrance High School students are eagerly anticipating the excitement of the next few weeks before Christmas.

Last Rites Held For P. E. Busch

Requiem mass was celebrated at Nativity Catholic Church Monday for Philip Edward Busch, 43. Rosary was recited by Rev. P. J. McGuinness Sunday night.

Interment was in the Holy Cross Cemetery.

Mr. Busch is survived by his widow, Gertrude, of 2362 Mariopola street, and his father, four brothers, and two sisters, all of Minnesota.

Mr. Busch died November 21 after apparently slashing his throat with a razor. His wife discovered the body after returning home from a shopping trip. He had been in ill health for several years, Mrs. Busch said.

He had been in business for himself as a broker during the eight years he lived in Torrance.

Torrance Guardsman Promoted in Japan

Johanne L. Pitts, son of Mr. and Mrs. Isaac T. Pitts, of 915 Portola avenue, was recently promoted to the rank of master sergeant while serving in Japan with the 40th Infantry Division.

A National Guardsman, Pitts is a platoon sergeant. During World War II, he served with the Army in the Pacific Theater.

FOR THE PEDESTRIAN
If he's an outdoor man and likes to hike for miles, buy him a pedometer for Christmas. This little instrument straps on his belt and adds up the mileage he has covered. It is especially useful when he's traveling by map and compass.

HOLLYWOOD INFLUENCE
Most grown-up version of the doll's cradle is a Hollywood-type doll's bed that is a perfect replica of the real thing, now in the stores for Christmas giving.

Film on Asia To Be Shown Here Sunday

The premiere showing of America's newest Technicolor film release on Asia will be shown at the First Baptist Church Sunday evening at 7:30 following a message by Rev. J. Russell Killman, assistant pastor of the church, on the subject, "Our Last Chance."

"The Cry of the Orient," is an hour long documentary film in sound and color and was photographed over a four-month period by members of an international Youth for Christ team in the Far East. A combination of narration and commentary, the story traces the travels of the foursome from Hawaii, "The Orient in Miniature," to India, "A Land of Four Hundred Million Heartbreaks."

Included on the film are trips to Hiroshima, the Atom-bombed city of Japan, Formosa, and other Far East points.

Dick Hillis, 38-year-old missionary to China and former prisoner of the Reds, is the commentator for the Formosa-China section of the film.
